Dear Parents/carers,

We have had such a busy week and thoroughly enjoyed World Book Day yesterday! Please look at all our lovely Twitter pictures, thank you to our staff for preparing our Reading Café and a variety of learning/stories/Masked Reader and to our visiting readers too.

During our prayer assembly this week, we reflected upon the importance of 'Encouragement' and how important it is to encourage others and seek guidance from God.

Cafod Lenten workshops are taking place over the coming days to teach the children about daily reflections during Lent and working for the 'Common Good' of others. With this in mind, I ask that you continue to remember that as adults and children, we should be kind to all others and treat others with respect and kindness at all times in and outside of school.

We have emailed all parents a set of dates for the coming month in the lead up to Easter so you are up to date with forthcoming events. These dates are also available to view on our school website: www.stannescatholicprimary.com

We have a lot of children bringing in their own **pencil cases and rubbers**, they do not need to as we have plenty in school, we also encourage children to put a line through their work if they make a mistake so children gain understanding that it is OK to make a mistake.
