Dear Parents and carers,

What a lovely week we have had! We started the week thinking about the Kingdom of God and listening to a story about Mary Jones and her journey. Please ask the children about this. It has been such a busy one! We welcomed the RNLi Lifeguards to talk to us all about Water Safety this week, as it is Drowning Prevention Week. Y5 also had a fantastic cookery session from Future Food Heroes too, helping them to develop their food and nutrition knowledge and skills.

We also had lots of success at the Athletics competition on Monday afternoon, our children were a true credit to our school -their behaviour, sportsmanship and positivity was commented upon by many other schools. A huge thank you to our staff and families who gave their time to come and support us, I think we were the most enthusiastic school all round!

Our Y6 children have had an inspiring Careers and 'World of Work' week, learning all about so many careers and opportunities for their futures. A huge thanks to all our volunteers and visitors who came in to make our first Careers week such a success. This linked in so well with our theme of 'determination' this week.

Our Y1/Y2 children had a wonderful trip to Knowsley Safari Park yesterday, the weather was kind to us and the children learnt so much about animals and conservation. Thank you to our volunteers how helped us for the day.

Our 'Day of Many Colours' has been a very reflective experience; the children have been able to share their heritage and cultures with each other and we have united in prayer for all children across the world. Thank you for your kind donations for our charity 'Mission Together'.

Reminders/dates:

- Next week we will all be completing a history themed week 'A Building through time'. Each class will be learning about a different building in Liverpool.

We will share our work with you all the following week:
