14th June 2024

Dear Parents and carers,

I hope you all had a lovely two weeks off with your families? We have reached our final half term, which is a busy one as always. Our Y1 children have been completing their Phonics Screening checks, along with Y4's completing their multiplication checks. They have all shown the progress they have made this year, well done to all!

This week we have been thinking about who guides us, who we have connections with and how we are connected to God and through his example we will follow in his footsteps.

Sadly, I need to inform you that Susan Aitken, who worked with us in our Nursery, between September 2018 - August 2020, passed away over the May holiday. This was following a long battle with cancer, please keep her and her family in your thoughts and prayers at this sad time.
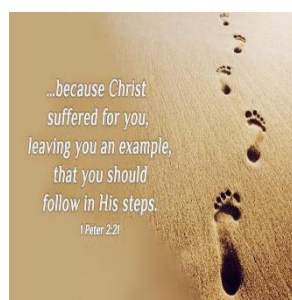

We wish all our families and friends who are celebrating Eid al-Adha on Sunday a lovely day together and look forward to hearing all about it on Monday.

Reminders/dates:

- **Friday 21st June: Day of Many Colours:** We will be uniting as a school family to celebrate God's global family, children's heritage, different cultures and to unite in prayer for children across the world. The children can wear bright colours for school and we ask for a small donation towards our charity 'Mission Together'.
- **ROAD SAFETY:** Please make sure this is everyone's number one priority on a daily basis to keep all children and families safe.
- **POLLING DAY:** School will be closed on Thursday 4th July.
- **End of term:** School Closes on Friday 19th July (1pm).

Please find attached a copy of 2024-2025 term dates for your information when planning holidays.

Thank you for your support

...because Christ suffered for you, leaving you an example, that you should follow in His steps.
